SUMMARY

Results-oriented Engineering Executive with a proven track record of optimizing project outcomes. Skilled in strategic project management and team leadership. Seeking a challenging executive role to leverage technical expertise and drive engineering excellence.

EDUCATION CERTIFICATIONS

Bachelor of Software Engineering

The Open University of Sri Lanka

2021 July - Present

Computer Application Assistant (NVQ LEVEL 3)

Vocational Training Authority

2022

Nena Piyasa Computer Course

Computer course

2012

PROJECTS

Taxi Payment System

- A Java application calculates taxi payments based on vehicle type and travel distance, utilizing Java programming, user input, conditional logic, and basic arithmetic operations.

Python Billing System

- Implemented a Python-based billing system for customer purchases, allowing users to input customer details, item names, prices, and quantities. Demonstrated proficiency in Python programming, user input handling, data structures, and arithmetic operations.

Agriculture Farm Management

- A mobile application prototype for agriculture and livestock management was developed, enhancing farmers' operations with secure user authentication, dashboards, and features for tracking animal health, feed schedules, vaccinations, and real-time weather forecasts, empowering rural farming communities with digital solutions.

React Js TO-DO List

- Developed a simple To-Do List application using React.js, featuring task addition, deletion, and editing functionality.

E commerce store

- Designed a responsive e-commerce store interface using HTML and CSS, featuring product listings, a shopping cart layout, and a clean, user-friendly design.

TECHNICAL SKILLS

Programming Languages:

Java, Python, JavaScript, PHP

Web Development:

React JS, HTML, CSS

Mobile Development:

React Native, Android Studio

DBMS:

MySQL, MsSQL, Firebase

Testing:

Selenium

Designing:

Figma, Canva

SOFT SKILLS

- Attention to detail
- Collaboration skills
- Communication skills
- Analytical & Problem-solving skills
- Self-motivated & quickly adaptive
